YAROSLAV BORYS

JUNIOR FRONTEND DEVELOPER

SUMMARY

My new passion is creating and learning websites. That is why I am interested in the position of Front-End Developer. I have knowledge of HTML, CSS, JavaScript and React. During my studies, I worked on several projects (you can see my GitHub account). I am a fast learner and am ready for challenging tasks. I will be glad to become a part of big and interesting projects. My goal is to enjoy my work.
